Warranty—We believe every animal to be sold in this sale will prove a breeder under proper care, but should any bull in this offering prove not a breeder after a reasonable trial period, we will replace him to the buyer's satisfaction or refund the purchase price. The open heifers, cows with calves and cows three months along in calf, or longer, are considered breeders, and no further guarantee is given. All other females are guaranteed breeders, provided I am notified within fifty days from date of sale, should they come bulling. Their purchaser is to try them three months, and should he fail to get them in calf, return to me and I will refund purchase price.

Pedigrees—A transfer certificate of registry in the American Short Horn Herd Book will be furnished for every animal, with the exception of the young calves sold with the dam, and there will be furnished with these a pedigree in the application form ready for registry.

Terms—Cash or six months note bearing 8 per cent interest. Anyone not personally known to me desiring to give note for purchase please bring bank reference. All stock will be loaded on cars after sale without trouble to the purchaser. Buyer's risk after bid off. All cattle will be tuberculin tested to conform with the different state requirements.

Gainford Champion weighs twenty-five hundred pounds. He is one of the lowest down mellowest and thickest fleshed bulls in use today, and has proven one of the greatest breeders.

His sire Gainford Marquis was champion on three continents, being Grand Champion in Canada five or six different times. He was Grand Champion in Canada this year at Toronto. His Junior heifer was first; Senior heifer calf first; Senior bull calf first; and as get of sire first for five years. Gainford Champion's dam was by Mildred Royal a great breeding bull and considered one of the best bulls in Canada. I brought his sire, Royal Wonder over from Canada in 1902. Gainford Champion's Grand dam Imp. Emmeline 9th is a great cow and bred by Wm. Duthie. I have sold some bulls by Gainford Champion to head some of the best herds in the country and they are proving great breeders.

Mildred's Royal 244703—roan; calved February 26, 1902; bred by J. & W. Watt, Salem, Ont.; got by Royal Wonder 176235, out of Mildred 8th by Royal Sailor 125761, tracing to Imp. Mildred alise Minnie by Gladstone 51801.

Legal Hope 587730—is a smooth mellow fellow with a good head and horn and looks like the making of a good breeder. I brought him over from Canada this year to use on my Gainford Champion heifers. He is sired by William Dryden's great breeding bull, Archer's Hope and out of Imp. Mary Anne of Lancaster 43d; one of Dryden's greatest breeding cows. One of Legal Hope's full brothers is in use in the John Miller herd. Wm. Marquis & Son, of Canda, are using a full brother, Lancaster Lad. They showed him this year at Toronto, Canada and he was a close second to Grand Champion, Gainford Marquis. When up there in June, 1917, Wm. Marquis & Son priced him at \$5,000. Rated with his brothers he should make a great breeder.
